SECTION 1 – WORK THAT IS WITHIN A COUNTY DRAIN OR DRAIN EASEMENT

WORK TO BE DONE UNDER AUTHORITY OF THIS PERMIT (“Work”) IS SUBJECT TO THE FOLLOWING CONDITIONS:

1. Permittee/Owner agrees that Work shall not commence on the Drain or in the Drain Easement without prior notice of at least three (3) business days to the Shiawassee County Drain Commissioner’s Office.
2. Permittee/Owner shall not commence the Work within the Drain without a Shiawassee County Drain Office inspector present unless waived in writing by the Shiawassee County Drain Commissioner. Permittee/Owner is responsible for all costs incurred by the Shiawassee County Drain Commissioner for the inspection. A deposit of \$_____ shall be placed with the Shiawassee County Drain Commissioner prior to the commencement of the Work. Additional inspection fees may be required. Any unused deposit will be returned to Permittee/Owner after fulfillment of all Permit requirements.
3. Permittee/Owner shall post at the entrance of the work site, a copy of the issued Permit, which shall be available for inspection at all times during the course of the work on the Drain or within the Drain Easement.
4. Permittee/Owner agrees to provide the Shiawassee County Drain Commissioner with one copy of <i>as-built drawings</i> of the Work performed on the Drain and in the Drain Easement within 30 days after the Work in this Permit is completed unless waived in writing by the Shiawassee County Drain Commissioner. The as-built drawings shall be sealed by a competent professional engineer licensed in the State of Michigan and shall indicate the location and elevations of any Drain crossings, show the Drain Easement, and all other relevant information for the authorized Work on the Drain and/or in the Drain Easement unless otherwise agreed to by the Shiawassee County Drain Commissioner. The as-built drawings shall be submitted on paper and in digital format (CD/AutoCAD). If Permittee/Owner fails to provide the as-built drawings within the required time, the Drainage District is authorized to have the as-built drawings prepared, and the Permittee/Owner agrees to be responsible for all costs involved.
5. Permittee/Owner agrees to hold harmless, indemnify and pay the reasonable costs to defend the Drainage District, the Shiawassee County Drain Commissioner and their agents, employees and/or contractors from any and all actual damages arising out of the Work and the existence of the Work within the Drain Easement and any and all actual damages or claims for damages to person or property arising from the Work on and/or use of the Work in the Drain Easement.
6. Permittee/Owner shall be responsible for payment of any and all reasonable and necessary application fees, together with any and all reasonable and necessary costs incurred by the Drainage District arising from this Permit, including, but not limited to, engineering, inspection, legal, enforcement and administrative fees, incurred in the preparation of this Permit, and any services rendered attendant thereto. Payment shall be due upon receipt of invoices.
7. <i>This Permit does not waive the necessity for obtaining all other required federal, state, or local permits, and specifically includes any Soil Erosion and Sedimentation Control permits issued by the Shiawassee County Environmental Health Department.</i>
8. Specific conditions to the Permit include the following: <ul style="list-style-type: none">A. All Construction work and restoration shall be in compliance with the Drain Code of 1956, as amended, the Rules of the Shiawassee County Drain Commissioner and shall meet the soil erosion and sedimentation requirements of the Shiawassee County Health Department.B. All work shall be done in accordance with the Michigan Association of County Drain Commissioner’s Soil Erosion and Sedimentation Control, Authorized Public Agency Procedures Manual.C. Restoration of open drains shall be done using non-woven filter and plain stone rip-rap stone to protect the trench from erosion. Rip rap shall meet MDOT specifications.
9. Permittee/Owner shall contact Michigan MISS DIG SYSTEM prior to the commencement of Work. Permittee/Owner shall follow all MISS DIG SYSTEM requirements in performing the Work. The MISS DIG SYSTEM date of call and docket number shall be furnished to the Shiawassee County Drain Commissioner’s Office before any work commences.
10. There is to be no obstruction of flow of water in the Drain as defined in Sections 421 and 422 of the Drain Code, MCL 280.421 and 280.422, during performance of the Work unless specifically authorized by the Drainage District in writing consistent with the approvals granted under this Permit.
11. Permittee/Owner shall not make any other improvements, or perform any other activities, on the Drain or in the Drain Easements outside the Work that is specified in this Permit without the prior written consent of the Shiawassee County Drain Commissioner.

12. Permittee/Owner shall furnish the Drainage District with evidence of liability insurance in the amount of at least One Million Dollars (\$1,000,000.00) per occurrence covering the Work performed by Permittee/Owner under this Permit, which may be accomplished by way of excess or umbrella policies unless waived in writing by the Shiawassee County Drain Commissioner prior to the issuance of the Permit. The insurance shall be written by a company rated by A.M. Best Company requiring an "A-" or better rating. The Certificate of Insurance shall be provided to the Shiawassee County Drain Commissioner before the commencement of any Work. The insurance policy shall provide for a ten (10) day "Prior Notice Termination" provision in favor of the Drainage District. The Drainage District, the Shiawassee County Drain Commissioner, and Shiawassee County shall be named as additional insureds on the policy. Such insurance may be terminated upon completion and written approval of the Work by the Shiawassee County Drain Commissioner as provided in this Agreement.
13. Permittee/Owner agrees that should the Drain require maintenance or improvement in the future that requires the relocation of the Work within the Drain or the Drain Easement, the Work shall be relocated in a timely manner upon the written request of the Shiawassee County Drain Commissioner at the sole cost of Permittee/Owner. The Permittee/Owner shall pay for all additional costs incurred by the Drainage District for the maintenance and improvement of the Drain as a result of the Work within the Drain and/or Drain Easement.
14. This Permit is binding on Permittee/Owner, its heirs, assigns, and successors in interest. This Permit is not assignable without the written consent of the Shiawassee County Drain Commissioner which consent shall not be unreasonably withheld.
15. Violation of any of these specified terms and conditions shall constitute a breach of this Permit to which the Drainage District and/or the Shiawassee County Drain Commissioner may direct the relocation or reconstruction of the Work within the Drain Easement to comply with the terms of this Permit, with all reasonable and necessary costs, including but not limited to construction, engineering, legal inspection and enforcement, to be paid by Permittee/Owner.
16. Environmental contamination, caused by site runoff impacting the drain, is the responsibility of the property owner and should be cleaned according to Local, County, State and Federal guidelines.
17. The commencement of the Work under this Permit shall constitute an acceptance by Permittee/Owner of the terms and conditions set forth in this Permit.
